OFX9300 and 9400

LASER FAX DEVICES

The Olivetti OFX 9300 and OFX 9400 are G3 laser fax devices for small offices and professionals, equipped with a **14.4 Kbps and a 33.6 Kbps modem** respectively.

The systems reach speeds of 16 ppm, also when operating as desktop copiers, and feature a 250-sheet paper capacity and 20-sheet automatic document feed. The **OFX 9400** also provides a **telephone function**.

Both models support **texting** where local providers offer an SMS service, and print incoming texts. The text-send function manages up to 10 addresses per message.
